REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Daniel Morgan Technology Center serves Spartanburg County School Districts 3 and 7. Students from Broome and Spartanburg High Schools may elect to enroll in one or more of DMTC’s Career and Technology Education Programs. All programs are offered in accordance with the standards established by the S.C. Office of Career and Technology Education.

The 2013-14 school year was a difficult one for both the students and staff of DMTC, as our director of 15 years, Mr. Wayne Chapman, passed away after a brief battle with amyotrophic lateral sclerosis (ALS).

During Mr. Chapman’s tenure, DMTC not only received State Department of Education recognition, but also national recognition through the Southern Regional Education Board (SREB). Under Mr. Chapman’s leadership the Center continually worked to increase college Dual Credit offerings, through Spartanburg Community College. He also strived to provide industry certifications and course offerings, which would allow Center students to succeed whether they planned to go directly into the workforce, or continue their education at either a two or four year college. Mr. Chapman worked hard to make sure business and industry representatives were involved in the Center’s Improvement Council and each Program Advisory Group.

The words “educator” and “gentleman” always come to mind when you think of Mr. Wayne Chapman. He will always be remembered for his quiet, positive, leadership efforts to make DMTC a great place for students to learn Career and Technical skills. Through his leadership many young people were able to be successful in their career choice. He will be greatly missed.

Future students and the newly named director, Mr. Kenny Blackwood, will benefit from Mr. Chapman’s many years of outstanding leadership as the director of Daniel Morgan Technology Center. Thank you, Mr. Chapman.

Kathy Moss, Chairperson of School Improvement Council

Harvey Dailey, Acting Director
